

ALEJANDRA'S NOTEBOOK

The following pages are sketches which are in Alejandra's notebook. Some of the sketches are directly relatable to finished art work while others are ideas which were never carried out.

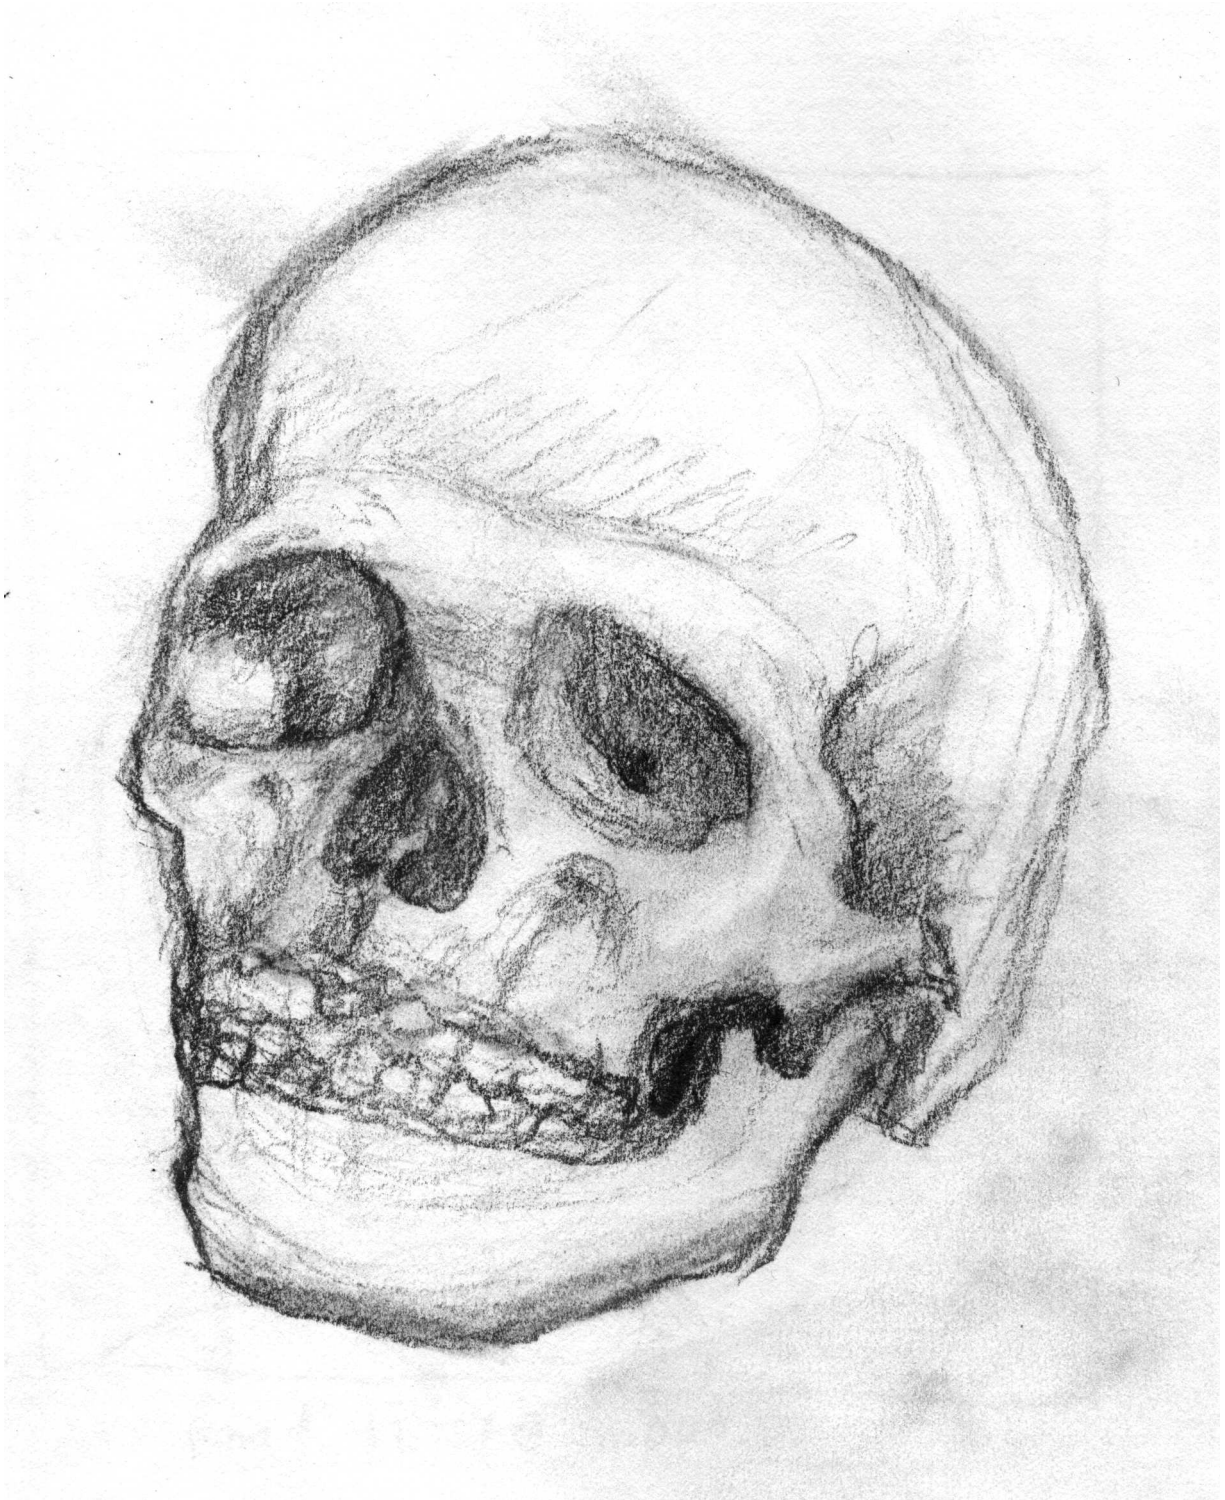

Mother Earth at the beginning of time receiving sunflower seeds for the population of the earth.

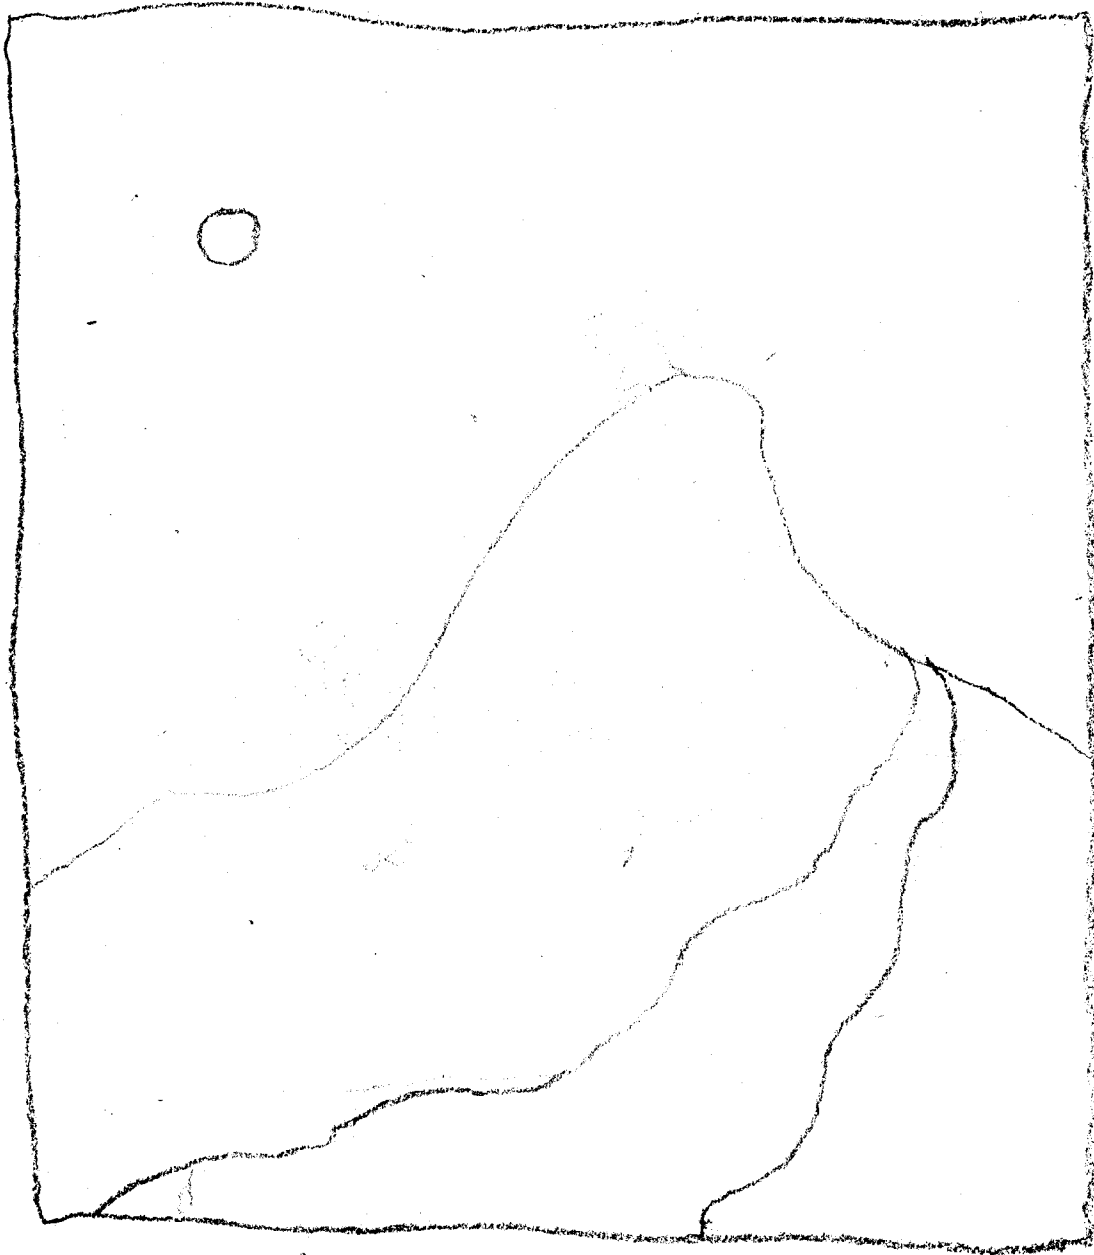

Painting of at foot of a Mountain: Impressions

I feel that the painting is almost done. The colors are already established, but I think it is pretty dull. Now how to change it that is another matter. Maybe if I put more blue darks in it.

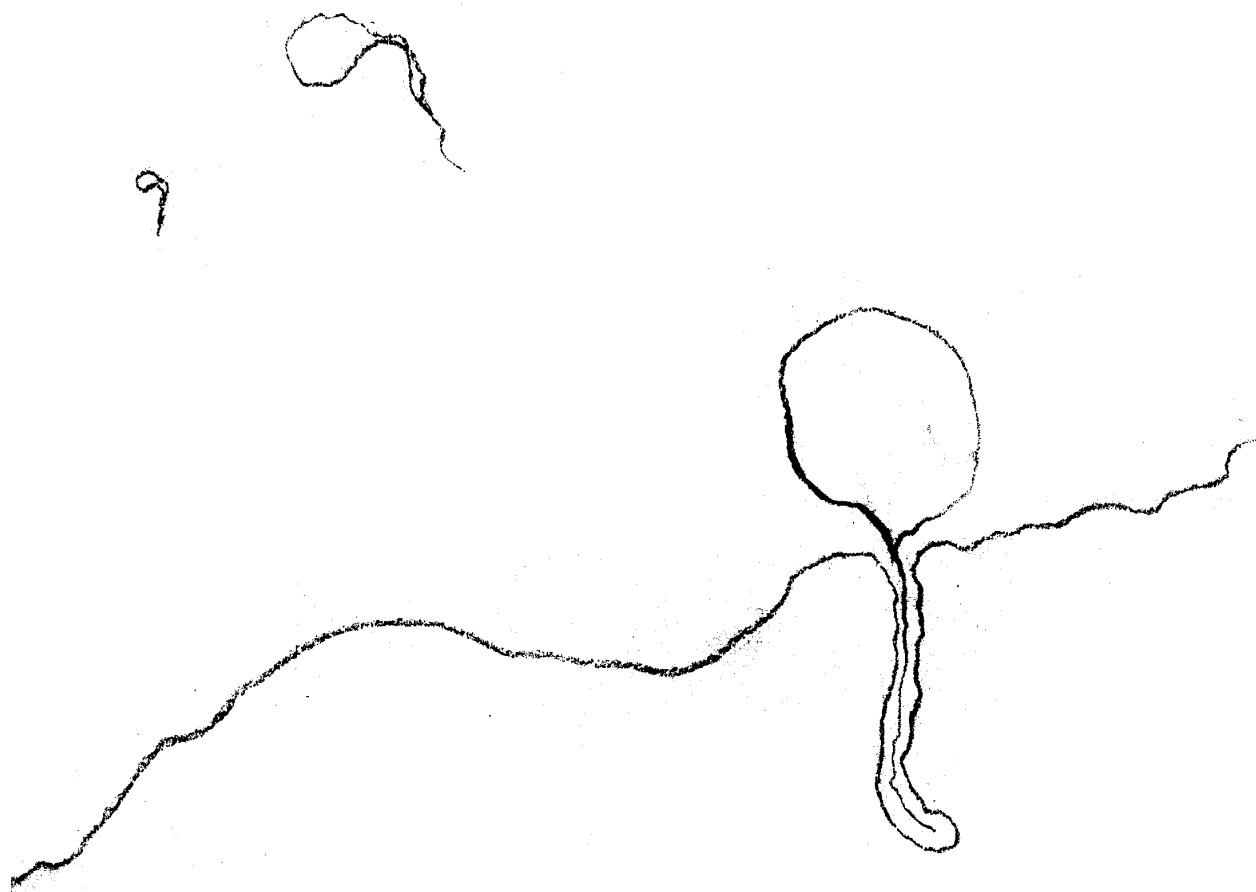

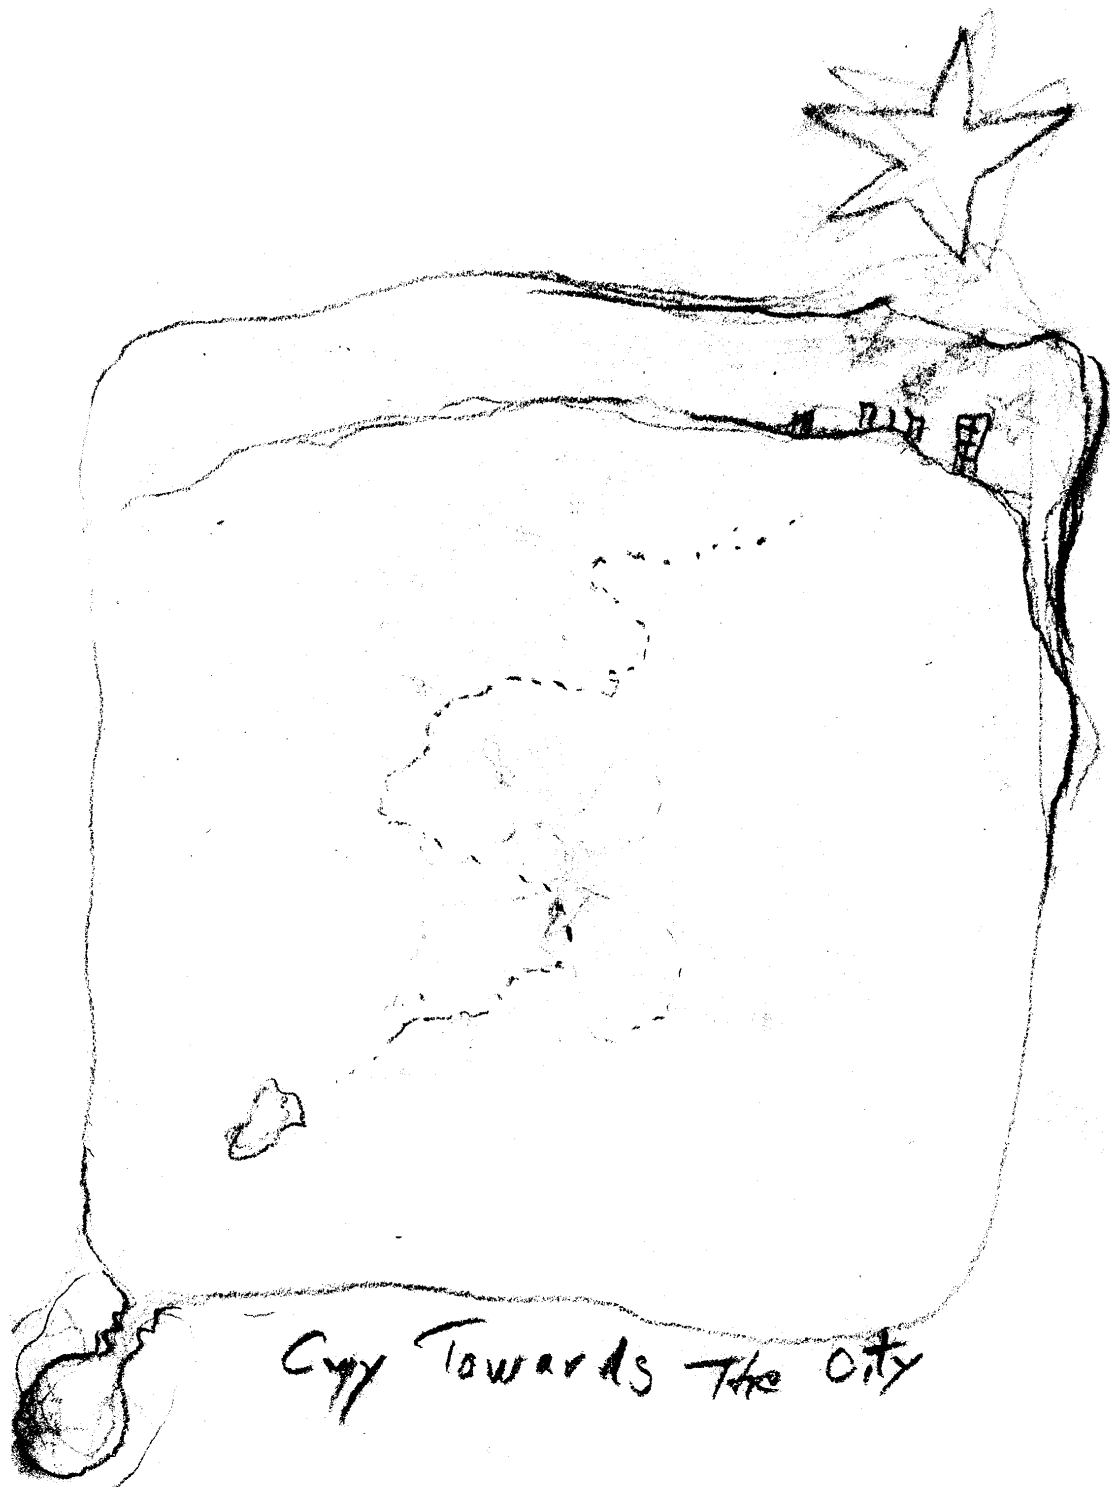

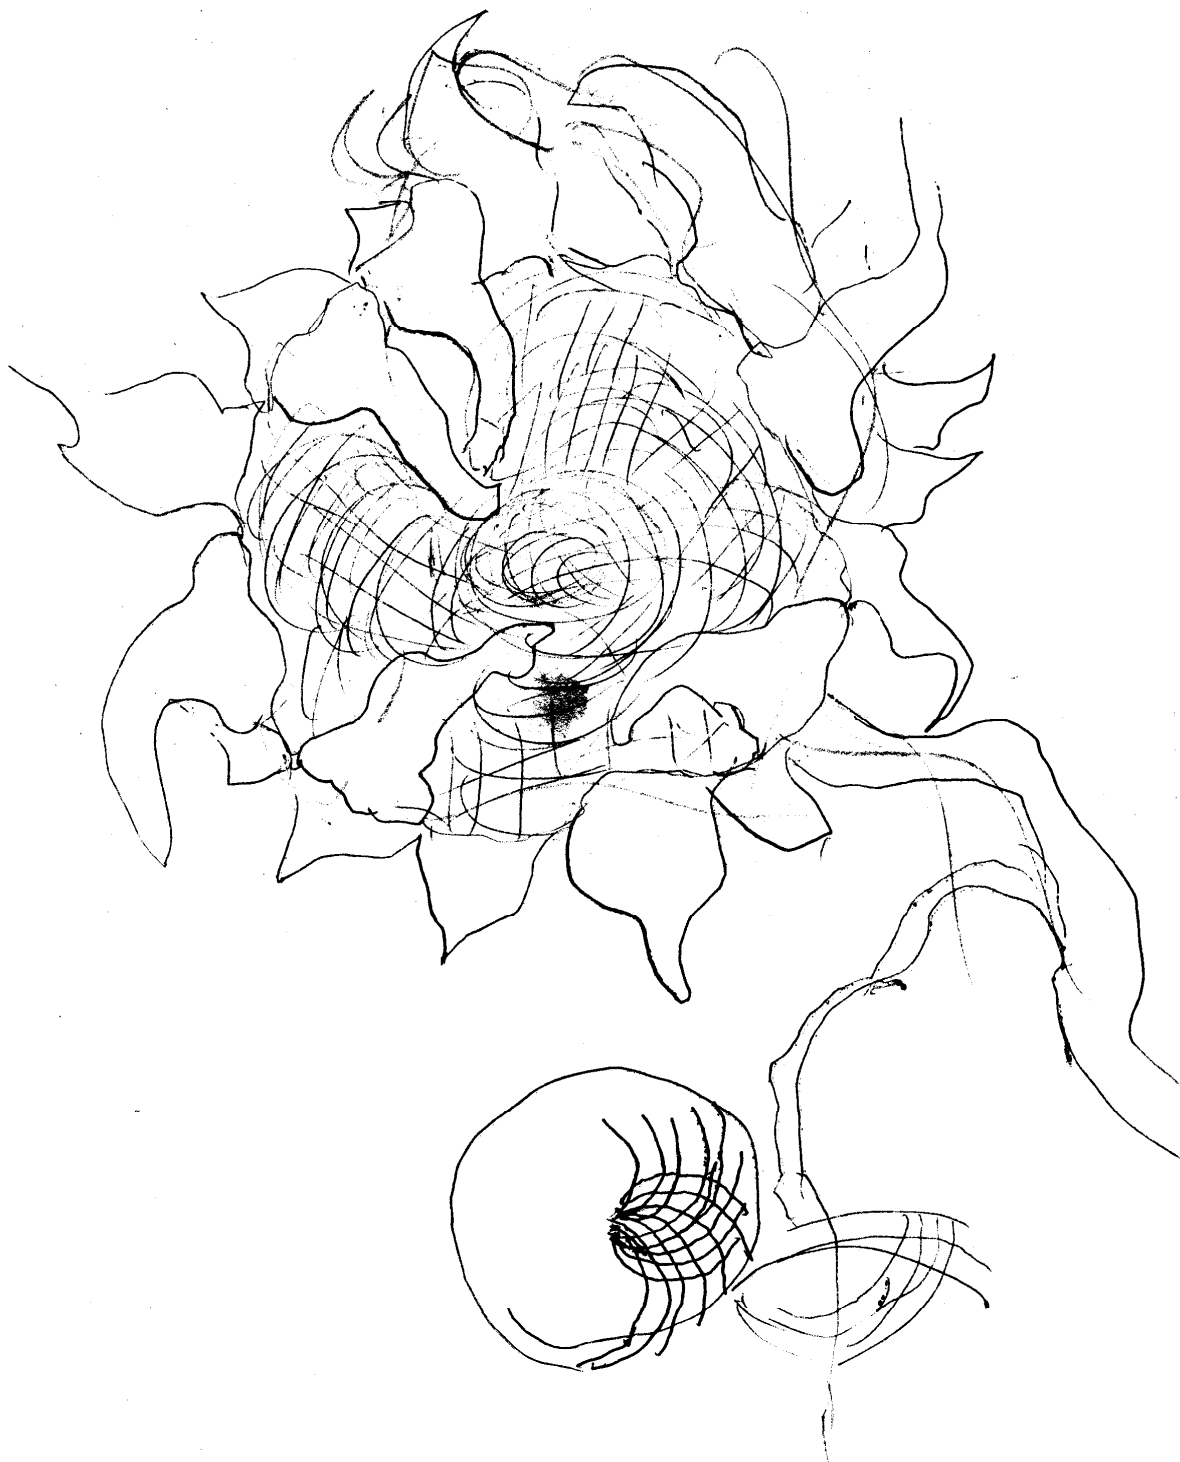

Road to the moon.
